

EEVAC

Emerald Empire Vintage Auto Club Brooks Tour

EEVAC had four members in attendance today's ribbon cutting ceremony. Verne Ivy, lead the way with Mel Evers, Vince Nueman and Jim Dunn in tow! We got to the museum about 12:45 P.M. and had a chance to visit with a number of hobbyists from all over the state.

It seemed Verne knew most of the folks and was kind enough to introduce us to a number of folks including Don Peterson, Early Ford V-8 Club, Ron Zahn with the Cadillac & LaSalle Club, and a few names and faces I forgot! I sometimes do that!

The ceremony was short with about 60 hobbyists in attendance. The goal is to finish a 60' X 100' addition to the front of the automobile & motorcycle museum (west side) in the coming months. The speeches were brief, and the donuts, cider and treats were excellent.

Many thanks to Verne for organizing the trip on short notice! Verne has been a real spark plug and contributor to EEVAC over the years. Thanks Verne!
